

Visual Art Exhibitions

WE BELIEVE THAT ART, IN ALL FORMS,
ENHANCES OUR LIVES AND DEMANDS DISPLAY

The Desert Spirit Art Committee organizes three juried visual art exhibitions each season at the Center for the Arts at Kayenta. The Committee invites established and emerging regional artists to submit their original artwork that responds to the exhibition's theme.

The exhibitions are free and open to the public during the Center's business hours as well as during performances and special events.

Come, be a part of the art in Kayenta!
